

SO, QUANTUM
TELEPORTATION—

THE NAME IS
MISLEADING.
IT'S A PARTICLE
STATISTICS THING.

SO IT'S NOT LIKE
STAR TREK?
THAT'S BORING.

OKAY, I'M SICK OF THIS.
EVERY TIME THERE'S A PAPER
ON QUANTUM TELEPORTATION,
YOU REPORTERS WRITE THE
SAME DISAPPOINTED STORY.

BUT—

TALK TO SOMEONE
ELSE. I'M GOING TO
THE BAHAMAS.
